

Names List Events

Alpha Sigma Phi Fraternity

The best way to recruit new members is by making them your friend before making them your brother. This is going off the simple philosophy that people don't join organizations, people join people. The best way to create these friendships is by inviting men to partake in the simple things that you do on a daily basis. These events that you could invite guys off the names list to participate in.

Everyday activities you do:

- Wing/Pizza night
- Monday night football night
